

Broadmoor Band - Rules of Student Conduct

Be Responsible

1. As a band student, I am expected to bring my instrument and all supplies (including music books, a folder with all sheet music, and a pencil) to class everyday so that I can participate with the band.
2. As a band student, I know that listening to and following instructions is an important part of learning to play a musical instrument.
3. As a band student, I know I am expected to practice 30 minutes per day, 5 days per week, so that I will make progress and may be able to take pride in my accomplishments.
4. As a good caretaker of my instrument, I will remove all gum, candy, or other food from my mouth before playing my instrument at school or at home. At home, if I am able, I will brush my teeth before playing. If that is not possible, I will rinse my mouth with some water before playing.

Be Respectful

5. As a band student, I am expected to respect others by the speech I use, and the way I treat their property.
6. In the band class, I will play only on my instrument, and only when asked to. My neighbor's instrument is the property of his or her parents. It is not up to my neighbor, or myself, to give me permission to play on his or her instrument.
7. As a band student, I will raise my hand and wait to be called upon to speak to the band director.

Be Safe

8. As a band student, I will proceed to and from the band room in an orderly fashion: stays in line, no talking, follow all school rules.
9. I agree to follow these rules for the purpose of having a more productive band class this year.
